Invest In The Future . . .

If you're down in the mouth about the present temporary setback in business, take a few minutes to study the following facts presented to the Elba Rotary Club last week by John Hill, commercial manager of the Alabama Electric Cooperative, Inc., which provides electric service to Elba:

(1) When Alabama Electric began operations Sept. 1, 1944, the peak demand on the system was 8,700 kilowatts. Last year it was 64,780 kilowatts. Sales in 1945, the first full year of operation, totaled just over 41 million kilowatt hours. Last year they were over 271 kilowatt hours.

(2) In 1945 sales to the city of Elba totaled approximately 1.9 million KWH. Last year sales were above 9.5 million KWH.

(3) Alabama Electric's plant investment has gone from just over \$2 million in 1945 to some \$16.5 million today. Investment in facilities serving the Elba area is in excess of \$125,000.

(4) Alabama Electric has recently completed a major expansion of its facilities, involving expenditure of some \$7.5 million. Major part was in expanding the McWilliams Power Plant in Gantt from a capacity of 15,000 KW to 37,000 KW. Some \$9 million is now invested in this plant.

(5) According to recent announcements by the State Planning and Industrial Development Board, 1960 saw 18 new or expanded industries in the area served by Alabama Electric. Investment figures were not revealed for all of these, but a capital outlay of several million dollars is involved. More than 1,500 new jobs were created.

(6) Alabama Electric is a non-profit organization which began operations on a loan secured from the Rural Electrification Administration (REA). Through 1960, Alabama Electric repaid over \$3.2 million on its loans from REA including \$1.9 million repaid on principal and \$1.3 million paid as interest.

(7) Alabama Electric is one of the largest taxpayers in the area. In 1961 it paid \$6,000 in property taxes in Coffee County.

(8) Alabama Electric operates facilities of Covington Electric Cooperative, a distribution rural electric cooperative serving rural areas in Covington, Coffee, and Crenshaw counties. Its sales have gone from 5.3 million KWH in 1947 to 48.8 million KWH in 1960, reflecting greatly increased usage of power by farmers and other rural establishments, plus the fact that during this period electric service was made available to over 5,000 new consumers for the first time.

(9) Surveys have shown that for each \$1.00 invested in plant facilities by a distribution rural electric cooperative, its members will spend a minimum of \$3.00 for wiring, appliances and equipment. Covington Electric Co.-o's investment is now about \$3.2 million. This means that a new business market of some \$10 million has been created in this area.

South Alabama is going forward. It is wise to invest in the future of Elba and Coffee County.

THE ELBA CLIPPER

YOU NEVER SAW THIS NEWSPAPER

Thrown into the gutter or a waste basket before it was read, did you? But waste baskets and gutters are constantly being filled with unopened, expensive direct advertising, sales ammunition shot into the air.

A newspaper always commands an audience with prospective customers. It is never thrown aside without first being read from "kiver to kiver". Then it is borrowed by the neighbors.

That's why intelligent, attractive newspaper advertising is accepted as the most effective form of advertising your business.

An advertisement in this paper will reach over 75 per cent of the buyers in the local trade territory. We do the mailing and pay the postage.

Bishop At Rally ...

BISHOP HARDIN

Montgomery — A conference wide rally on behalf of the Crusade for Alabama Methodist colleges and Wesley Foundations will be held by the Alabama-West Florida Conference Friday, this week, at Huntingdon College. Bishop Paul Hardin, new bishop of the Conference, will preside over the meeting which will open at 2 p.m. in the Huntingdon chapel.

This will be Dr. Hardin's first meeting with the Conference since his recent appointment by the College of Bishops of the Southeast Jurisdiction to succeed the late Bishop Bachman C. Hodges.

Dr. Hardin, a native of Chester, S. C., served pastorates in the Western North Carolina Conference until 1949 when he became minister of the First Methodist Church in Birmingham. After serving in this post for 11 years he was elected resident bishop of the South Carolina Area of The Methodist Church, a position he will continue to hold while serving on the term of the late Bishop Hodges.

He is a graduate of Wofford College with a Bachelor of Divinity degree from the Candler School of Theology of Emory University. The honorary degree of Doctor of Divinity has been conferred on him by both Wofford College and Birmingham — Southern College.

A HONOR ROLL

ROCK 'N ROLL SHOW
Sammy Salvo will be the featured entertainer on the Rock 'n Roll Show today at 7 p.m. at the Highland Home School auditorium. Others on the program include the Royal Jays, Jerry Gay and Tommy Fowler. The show is for the benefit of the Highland Home band.

4-H CLUB REPORTS AND EVENTS

FOOD
Franklin Wilks, of the Zion Chapel Senior 4-H Club plans to enter the "Food for Youth Power" contest which is being sponsored by the food industry and health and nutrition groups throughout the country. Franklin, along with a few other boys, are entering this contest to learn more about the high importance of good eating habits. He and possibly others have a chance to win in the district contest and attend the national youth power Congress in Chicago in March.

COTTON
Jackie Sherrer and Louis Jones, two neighbors at the Mt. Pleasant community called me Saturday about a cotton project for 1961. The two boys plan to have an acre each and their goal is at least one and a half bales per acre. They can do this. In fact, they are going to try for two bales on each acre. There will be several boys in the county with cotton demonstrations. I would like to urge all boys planning cotton and peanut demonstrations to have a soil sample made just as soon as possible.

Pecan Demand Exceeds Supply
Grocery shoppers with a sharp eye and appetite for quality convenience foods soon will demand 100% more pecans than the present crop now supplies, says the National Pecan Shellers and Processors Association. Union in area of supplies, the average yearly pecan crop of 150 million pounds only half the estimated demand of 300 million pounds per year. Said to be a conservative estimate, this forecast is based on the population boom and the steadily increasing popularity of convenience foods.

IS ANY POSSIBLE SAVING WORTH THE RISK?
Insurance actuaries estimate the average person spends about \$15 per year on prescriptions.

Sometimes far away mail order firms promise reduced prices on prescriptions. No possible saving could be worth the personal attention we give. For the few who are unable to afford medication, we co-operate at their physician's request.

NEW NEIGHBOR

When Betty Marlowe moved into our neighborhood we invited her to join the garden club and the baby sitters' club and the civic association, but it never occurred to any of us to ask her if she'd like to go to church.

Then, one Saturday, she phoned me. "My husband is often out of town on Sundays and I don't have the car when he's away," she explained. "Would you and Bill mind if I went to church with you?"

Mind! We were delighted—but I was also a little ashamed. And I wondered how many others there were in our neighborhood who would like to go to our church, if they were given the encouragement of an invitation.

From now on, I'm not waiting to be asked. I'm asking first!

From Our Early Files

22 YEARS AGO

James Austin Prestwood, one of Southeast Alabama's most prominent citizens, died at his home in Andalusia. He was 84 years of age.

Known as "Uncle Aus", he was a colorful figure in the development of Andalusia and South Alabama, having part in such business ventures as saw mills, gins, and plantations. In 1899, he donated an entire block of business property and \$5,000 to assure the building of the first railroad in this section of the county.

Mr. Claude Ellis, after spending some time with Mr. and Mrs. Oscar Parker in Elba, returned to his home in New Orleans.

OBITUARIES

ROBERT L. HAYES

Robert L. Hayes, 62, of New Orleans, died Wednesday, Feb. 8, after a long illness.

He was survived by his wife, Mrs. Hayes, and two sons, Robert L. Hayes, Jr., and Robert L. Hayes, III.

Funeral services will be held at 10 a.m. Friday at the New Orleans Baptist Church.

Other grand jury warrants served by Sheriff Tillman included: J. H. Caldwell, negro, and Zolite Ward, negro, charged with false pretenses in passing checks without a bank account.

Lamar Hall, burglary, charged with breaking into the Elba Bus Station.

John Robert McCoy, burglary and grand larceny, charged with breaking into the store of James Wilson at New Hope.

William J. Martin, driving an automobile while driver's license was suspended.

Clifford Rogers, negro, assault upon Suele Cole, negro.

More Deer Released In Coffee County

The second and third truckloads of deer were turned loose along P. 24 near New Hope Thursday and Friday.

The truck to bring to the total deer transferred here from Coffee County by the State Conservation Department.

A total of 50 are scheduled to be released in the county.

The move is designed to increase the deer population of Coffee County so that open season may again be the privilege of hunters in four or five years.

110 Baptists Go To Training Conference

A conference was held for Training Union workers in the First Baptist Church, Elba, Monday evening, Feb. 6.

Over 110 workers from 20 churches attended.

This conference was one of several scheduled for the year.

Suggestions were made by the eight conference leaders as to how to improve the work of the Training Unions of the local churches, and plans were laid for a mass meeting in March and for Youth Night in April.

BAND CONCERT SET

The Band Boosters Club will hear a concert by the Elba High School Junior Band, under direction of Robert Hall, Thursday at 7 p.m. in the high school auditorium.

After the concert members of the club and members of the band will retire to cafeteria for dinner.

ELBA MAN FEATURED

A feature story on J. Deyden Smith, Elba merchant, was published in The Alabama Journal Tuesday, this week.

Smith's hobby of keeping historical data about Elba and Elba people. The story was accompanied by a two-column picture.

CLIPPER BETTER THAN LETTER FROM HOME, READER SAYS

The Elba Clipper is better than a letter from home, according to Grady Holloway, of Rt. 2, Box 18, Greenville, Ala.

In a letter to The Clipper, dated Jan. 20, this year, Mr. Holloway said "The Elba Clipper is a wonderful paper to me. It's just like a visit home to get it and read it every week."

More Books Read At Public Library

Every library in the Cross Trails Regional Library system has increased its circulation of books this month over the previous month. People are reading more than ever before as shown by total circulation figures of 104,943 for the two bookmobiles and the ten libraries in the region. Of these books children read 87,340 and adults 17,597.

Opp Public Library led the libraries with 3,021. Mrs. Bertha Caston, Librarian; Geneva Public Library was second with 2,393. Miss Rebekah Koman, Librarian; Luverne Library was third with 1,640. Mrs. Jessie Stone, Librarian; and Enterprise Library was fourth with 1,556. Mrs. Marguerite Huey, Librarian.

Mrs. Glenzie Bowe Smith of Elba Library checked out 569 books this month as compared to 473 for the month of December.

At that time you'll see several interesting and educational color movies and equipment demonstrations. Also, you'll hear details of a remarkable fuel offer that can save you considerable money this year.

Plan on spending an enjoyable evening with us Thursday evening.

Yours Truly,

Redmon-Windham Tractor Co., Inc.
